

Will Kistler - Character Animator Demo Reel Breakdown

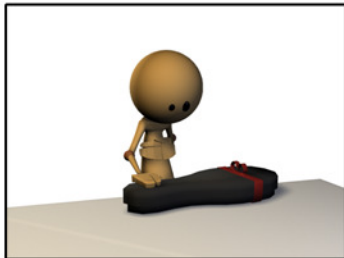

I am responsible for all animation on this reel.

Animation was created in Maya and textures were made using Photoshop Elements. Character models were provided by AnimationMentor.com. I created all other assets shown.

Dialogue - Thousand

00:05 Two boys argue about the wisdom of bringing a large amount of money to school. The dialogue is from the film “Millions.”

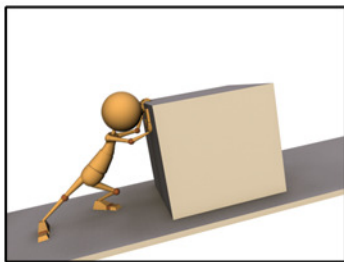

Silent Acting - Violin Case

00:18 A character experiences a change in emotion.

Monologue - Dropped Baby

00:30 A one-character test to practice acting and lip-sync animation. The dialogue is from the short film “In God We Trust.”

Heavy Push

00:40 A character pushes a heavy box up an incline to demonstrate weight.

Silent Acting - Cooking

00:59 A character goes through a range of emotions while cooking.
